# What You Need to Know

It is the sole responsibility of the customer to check with your local municipal or county by-laws before ordering this product to confirm it complies with building codes in your area.

If the product is elevated, any structural and building code requirements are solely the customer's responsibility, and should be abided by.

Have a regular maintenance plan to ensure screws, doors, parts are tightly affixed.

All structures purchased from Outdoor Living Today are covered for a period of one year for defects in manufacturing and workmanship. Costs incurred for customer installations are not included.

***Failure to use supplied parts included in this kit could result in poor product performance and may void your warranty. Please contact Outdoor Living Today's Customer Toll Free Line if you plan to deviate from our written instructions.***

## Safety Points and Other Considerations

We recommend once a year in the early spring to check that all fasteners are snug and to tighten if loose.

Any small rips or tears that occur in the netting either by accidental damage or by natural wear and tear over time can be repaired by pinching the two nearest intact sections together and banding with a zip tie.

## Warranty

In the event of a missing or broken piece, please contact Outdoor Living Today **Customer Support at [olmsupport@outdoorlivingtoday.com](mailto:olmsupport@outdoorlivingtoday.com) within 30 days of the delivery of your purchase.** It is our commitment to you to courier replacement parts, free of charge, **within 10 business days of this notification.** Replacement parts will not be provided free of charge after the 30 day grace period.

**Customer agrees to hold Outdoor Living Today and any Authorized Dealers free of any liability for improper installation, maintenance and repair.**
